

The Craftsman Village Historic District Newsletter

No. 10 (July/August 2005)

Gina Wallar and Bill Maurer discuss our accomplishments for the judges at the NUSA conference in Sacramento, May 2005.

2nd in the United States!

In our last edition, we mentioned that in March the Craftsman Village Historic District was named one of fifteen finalists for the national 2005 Neighborhood of the Year Award. At the end of May, members of our neighborhood attended the annual Neighborhoods USA (NUSA) conference in Sacramento, California, May 25–28, and we won a prize!

NUSA is a national non-profit organization dedicated to building partnerships between communities, government and the private sector. Each year, it presents “Neighborhood of the Year” awards to community groups that are making a difference in their cities. This year, our neighborhood

was one of two Long Beach communities that received an award. The East Hill/Salt Lake Neighborhood Watch won first prize for their efforts to involve children in building a safer community. The Craftsman Village Historic District – that’s your neighborhood! – won second prize for our efforts to beautify the neighborhood with our street cleanups and our multilingual newsletter, which provides community news and information on historic preservation.

Your neighbors, Gina Wallar and Bill Maurer, traveled to Sacramento to make a presentation on the good things happening in our neighborhood: our regular trash cleanups, the newsletter, and education about historic preservation. There were seven finalists for the prize for neighborhood beautification, and we got to learn what other communities around the country are doing to improve the quality of life in their neighborhoods. We also got to learn how they implemented some of their plans, like creating new park space and reducing speeding traffic, both of which are on the minds of many people in our district and which are on the agenda for the future. Many Long Beach city employees attended, including Gonzalo Sanchez from the 7th Street Community Police Center and Margaret Madden and Marcos Lopez from the Neighborhood Resource Center. No one knew who would win until the awards ceremony on Friday, and everyone gave a hearty shout out for Long Beach when the winners were announced. The award plaque will be placed in the 7th Street Community Police Center for all to enjoy, because, after all, the prize was awarded to everyone who lives in the Craftsman Village Historic District – a “Neighborhood of the Year!”

Let’s make the neighborhood green!

As a temporary change from cleaning up trash in our neighborhood, we will meet on July 16 and August 20 at 9am, at the intersection of Toledo and Hellman, to do some planting of flowers or trees in the neighborhood. If you are interested in having your front yard or curbside planted with flowers for free, just come to a monthly meeting and we will add you to the list.

¡2do. En los Estados Unidos!

Bill Maurer receives the NUSA award for the Craftsman Village Historic District (Gonzalo Sanchez from the Community Police Center is on the right).

En nuestra última edición, mencionamos que en Marzo el Distrito Histórico Craftsman Village fue nombrado uno de los quinceavos finalistas para El Premio nacional 2005 de Vecindario del Año. Al fin de Mayo, los miembros de nuestro vecindario asistieron a la conferencia anual de Vecindarios USA (NUSA) en Sacramento, California, Mayo 25–28, ¡y ganamos un premio!

NUSA es una organización sin fines lucrativos dedicada a edificar asociaciones entre comunidades, gobierno y el sector privado. Cada año presenta premios de “Vecindario del Año” a grupos comunitarios que están marcando una diferencia en sus ciudades. Este año, nuestro vecindario fue uno de dos comunidades de Long Beach que recibieron un premio. La Vigilancia de Vecindarios de East Hill/Salt Lake ganó primer lugar por sus esfuerzos en envolver a los niños en la edificación de una comunidad mas segura. El Distrito Histórico Craftsman

Village – ¡ese es su vecindario! Gano segundo lugar por nuestros esfuerzos de embellecer el vecindario con nuestras limpiezas de calles y nuestro folleto de noticias multilingüe, el cual le provee las nuevas de la comunidad e información sobre la conservación histórica.

Sus vecinos, Gina Wallar y Bill Maurer, viajaron a Sacramento para hacer una presentación sobre las buenas cosas que están pasando en nuestro vecindario: nuestras limpiezas de basura regulares, el folleto noticiero, y la educación sobre la conservación histórica. Había alrededor de siete finalistas para el premio de embellecimiento de vecindario, y nos enteramos sobre lo que las otras comunidades del rededor del país están haciendo para mejorar la calidad de vida en sus vecindarios. También aprendimos como ellos implementaron algunos de sus planes, como la creación de nuevos espacios para parques y la reducción de velocidad del trafico, los cuales juntos están en mente de mucha gente en nuestro distrito y están en la agenda para el futuro. Muchos empleados de la ciudad de Long Beach asistieron, incluyendo Gonzalo Sanchez del Centro de Policía Comunitaria de 7th Street y Margaret Madden y Marcos López del Centro de Recursos de Vecindarios. Nadie sabia quien iba a ganar hasta la ceremonia de premios del Viernes, y cada uno gritó emocionado por Long Beach cuando anunciaron los ganadores. La placa del premio será exhibida en El Centro de Policía Comunitaria de 7th Street para que todos disfruten, por cuanto, después de todo, el premio fue otorgado a todos los que viven en el Distrito Histórico Craftsman Village - ¡un Vecindario del Año!

¡Vamos a cambiar al vecindario de color verde!

Como un cambio temporal de la limpieza de basura en nuestro vecindario, nos vamos a reunir el 16 de Julio y el 20 de Agosto a las 9am, en la intersección de Toledo y Hellman, para sembrar flores o árboles en el vecindario. Si usted esta interesado en que le planten flores en su patio delantero o acera gratis, solamente venga a una reunión mensual y le agregaremos a la lista.
